- The sale of the Goods will not be a sale by sample.

3. Quotations

- Unless otherwise stated in the Quotation, a Quotation -
 - 3.1.1. is (subject to clause 3.1.2) open for acceptance for 28 days from the date on which it was given;
 - 3.1.2. may be withdrawn at any time before acceptance by the Buyer;
 - 3.1.3. is subject to the availability of the Goods at the time it is accepted by the Buyer; and
 - 3.1.4. will only be regarded as having been accepted by the Buyer when Harsco Infrastructure actually receives the Buyer's acceptance.
- The acceptance by the Buyer of any oral quotation given by Harsco Infrastructure for Harsco Infrastructure to supply goods will be deemed to be an offer by the Buyer to Harsco Infrastructure for Harsco Infrastructure to supply goods (i.e. an Order) which Harsco Infrastructure may in its discretion accept or reject.

4. Orders

- Harsco Infrastructure reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable statutory or E.U. requirements or do not materially affect their quality or performance.

6. Price of the Goods

- The price of the Goods will be Harsco Infrastructure's quoted price or, where no price has been quoted, the price listed in Harsco Infrastructure's published price list current at the date of acceptance of the Order.
- Prices quoted orally are only valid on the day on which they are quoted.
- Harsco Infrastructure reserves the right, by giving written notice to the Buyer at any time before delivery, to increase the Price to reflect any increase in the cost to Harsco Infrastructure which is due to –
 - 6.3.1. any factor beyond the control of Harsco Infrastructure (including any foreign exchange fluctuation, currency regulation, alteration of duties, any increase in the costs of labour, materials or other costs of supply or any increase in the costs of sourcing the Goods);
 - 6.3.2. any change in delivery dates, quantities or specifications for the Goods which is requested by the Buyer; or

 - The prices are exclusive of any applicable value added tax, which the Buyer shall pay to Harsco Infrastructure when it pays for the Goods.
 - The cost of pallets and returnable containers will be charged to the Buyer in addition to the price of the Goods. However, if the pallets and returnable containers are returned undamaged to Harsco Infrastructure within 15 Business Days of the delivery of the Goods, Harsco Infrastructure will give the Buyer a full credit against the charge.
- ### 7. Terms of payment
- Harsco Infrastructure may invoice the Buyer for the Price -
 - 7.1.1. on or at any time after delivery of the Goods; and
 - 7.1.2. in the case of the Buyer failing to give Harsco Infrastructure adequate delivery instructions or wrongfully failing to take delivery of the Goods, on or at any time after Harsco Infrastructure tenders delivery of the Goods.
 - Subject to clause 8, the Buyer shall pay the Price (in cleared funds) on receipt of Harsco Infrastructure's invoice in respect of the Goods.
 - Harsco Infrastructure may recover the Price notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer.
 - The time for payment of the Price is of the essence of the Contract.
 - Receipts for payment will be issued only on request.
 - The Buyer shall make all payments due under the Contract in full and without any deduction whether by way of set-off (including equitable set-off), counterclaim, discount, abatement or otherwise.
- ### 8. Credit
- If Harsco Infrastructure has in writing agreed to grant the Buyer credit in relation to any amount due to Harsco Infrastructure under the Contract, the Buyer shall pay the Price within 30 days of the date of Harsco Infrastructure's invoice in respect of the Goods.
 - 8.2. The Buyer accepts that Harsco Infrastructure may in its discretion at any time and from time to time -
 - 8.2.1. review the basis for granting the Buyer credit; and
 - 8.2.2. withdraw or reduce the amount of credit granted to the Buyer.
 - If at any time the amount due by the Buyer to Harsco Infrastructure (whether under the Contract or on any account) is in excess of the Buyer's credit limit, the Buyer shall immediately pay to Harsco Infrastructure such amount as will bring the Buyer within its credit limit.
 - The provisions of clause 15.2.5 will mutatis mutandis (i.e. with the necessary changes) apply to any amount the Buyer is required to pay under clause 8.3 and fails to pay.
 - The Buyer authorises Harsco Infrastructure to carry out checks on the Buyer with credit reference agencies and at any time and from time to time provide the agencies with information as to the manner in which the Buyer conducts its account with Harsco Infrastructure. The Buyer acknowledges that the agencies concerned may share this information with other credit reference agencies and businesses conducting credit or fraud prevention checks on the Buyer.
- ### 9. Discounts
- Any discount, rebate or the like which Harsco Infrastructure gives to the Buyer on the price of the Goods is given on the basis that -
 - 9.1.1. the Buyer will pay all amounts due to Harsco Infrastructure in terms of the Contract on their due date; and
 - 9.1.2. if the Buyer fails to comply with the provisions of clause 9.1.1, Harsco Infrastructure may invoice the Buyer for and immediately recover from the Buyer the difference between the price of the Goods invoiced in terms of clause 7.1 and the full price of the Goods as listed in Harsco Infrastructure's published price list current at the date the Contract comes into existence.
- ### 10. Delivery
- Delivery of the Goods will be made by making the Goods available at the Delivery Address on the Delivery Date.
 - Where the Delivery Address is other than at Harsco Infrastructure's premises, the Goods will be delivered immediately prior to them being unloaded.
 - 10.3. The Buyer shall (at its cost) provide adequate equipment and labour for –
 - 10.3.1. the loading of Goods where the Delivery Address is at Harsco Infrastructure's premises; or
 - 10.3.2. the unloading of Goods where the Delivery Address is other than at Harsco Infrastructure's premises.
 - The Delivery Date is approximate only and Harsco Infrastructure will not be liable for any delay in delivery of the Goods however caused (including Harsco Infrastructure's negligence). Time for delivery is not of the essence of the Contract.
 - Harsco Infrastructure may on reasonable notice to the Buyer deliver the Goods in advance of the Delivery Date.
 - Harsco Infrastructure may deliver the Goods in instalments. Each instalment will constitute a separate contract and the termination of any one instalment by the Buyer as a result of a breach by Harsco Infrastructure will not entitle the Buyer to terminate any other instalment or the Contract as a whole.
 - If Harsco Infrastructure fails to deliver the Goods (or any instalment) for any reason (other than as a result of the Buyer's fault) and Harsco Infrastructure is accordingly liable to the Buyer, Harsco Infrastructure liability will be limited to the lower of –
 - 10.7.1. the excess (if any) of the purchase price (in the cheapest available market) paid by the Buyer for similar goods to replace those not delivered over the price of the Goods not delivered; and
 - 10.7.2. 5% of the price of the Goods not delivered.
 - If the Buyer fails to take delivery of the Goods or fails to give Harsco Infrastructure adequate delivery instructions (including any documents, licences or authorisations necessary or required to deliver the Goods), Harsco Infrastructure may -
 - 10.8.1. store the Goods until actual delivery and charge the Buyer for the reasonable costs of storage, insurance and re-delivery of the Goods; or
 - 10.8.2. sell the Goods at the best price readily obtainable and after deducting the following amounts, account to the Buyer for the excess -
 - 10.8.2.1. all reasonable storage, insurance and selling expenses;
 - 10.8.2.2. the Price (or part of the Price) still outstanding; and
 - 10.8.2.3. any other amounts due by the Buyer to Harsco Infrastructure, whether in terms of the Contract or on any other account whatsoever.
- ### 11. Acceptance of the Goods
- The Buyer shall within 3 Business Days of delivery of the Goods, notify Harsco Infrastructure in writing of –
 - 11.1.1. any Goods missing on delivery; or
 - 11.1.2. any defect in the Goods on delivery which was apparent on a reasonable inspection at the time of delivery.
 - If the Buyer fails to give Harsco Infrastructure notice in terms of clause 11.1 of –
 - 11.2.1. any missing Goods, the Goods as set out in Harsco Infrastructure's delivery documents will be deemed to have been duly delivered to the Buyer; and
 - 11.2.2. any defective Goods, the Buyer will –
 - 11.2.2.1. be deemed to have accepted the Goods and will not be entitled to reject them; and
 - 11.2.2.2. be bound to pay the Price as if the Goods had been delivered in accordance with the Contract.
 - Harsco Infrastructure's liability for any missing Goods in respect of which the Buyer has given notice in terms of clause 11.1 will be limited to replacing the Goods within a reasonable time or (at Harsco Infrastructure's discretion) issuing a credit note to the Buyer for the price of the Goods (or a proportionate part of the price) against any invoice raised for the Goods.
- ### 12. Risk and property
- Risk of damage to or loss of the Goods will pass to the Buyer -
 - 12.1.1. on delivery of the Goods; and
 - 12.1.2. in the case of the Buyer failing to give Harsco Infrastructure adequate delivery instructions (including any documents, licences or authorisations necessary or required to deliver the Goods) or wrongfully failing to take delivery of the Goods, at the time Harsco Infrastructure tenders delivery of the Goods.
 - Notwithstanding delivery and the passing of risk in the Goods, the property in the Goods will not pass to the Buyer until Harsco Infrastructure has received in full (in cleared funds) all sums due to it in respect of the Goods and all other sums which are due by the Buyer to Harsco Infrastructure on any account.
 - Until such time as the property in the Goods passes to the Buyer, the Buyer shall -
 - 12.3.1. maintain the Goods in a satisfactory condition;
 - 12.3.2. hold the Goods as Harsco Infrastructure's bailee;
 - 12.3.3. store the Goods (at no cost to Harsco Infrastructure) separately from all other goods of the Buyer or any other person in such a way that they remain readily identifiable as Harsco Infrastructure's property;
 - 12.3.4. keep the Goods insured on Harsco Infrastructure's behalf (and at no cost to Harsco Infrastructure) for their full price against all risks to the reasonable satisfaction of Harsco Infrastructure. The Buyer shall on request produce the policy of insurance and proof of payment of the premium to Harsco Infrastructure; and
 - 12.3.5. not be entitled to pledge or in any way encumber or charge the Goods.

- 12.4. The Buyer may (subject to clause 12.5) resell the Goods before the property in the Goods has passed to it subject to any sale being -
- 12.4.1. in the ordinary course of the Buyer's business at full market value; and
- 12.4.2. a sale of HarSCO Infrastructure's property on the Buyer's own behalf and the Buyer dealing as principal when making such a sale.
- 12.5. If a Default Event occurs before the property in the Goods has passed to the Buyer -
- 12.5.1. the Buyer's right to possession of and to resell the Goods will immediately terminate; and
- 12.5.2. HarSCO Infrastructure may immediately recover the Goods.
- 12.6. The Buyer grants HarSCO Infrastructure, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or (where the Buyer's right to possession has terminated) to recover them (with such transport and equipment as may be necessary).
- 12.7. Where HarSCO Infrastructure is unable to determine whether goods in the Buyer's possession are Goods in respect of which the property has not passed from HarSCO Infrastructure to the Buyer, HarSCO Infrastructure will be deemed to have sold to the Buyer all such goods of the kind sold by HarSCO Infrastructure to the Buyer (but only up to the quantity sold by HarSCO Infrastructure to the Buyer) in the reverse order in which they were invoiced by HarSCO Infrastructure.
- 13. Warranties**
- 13.1. HarSCO Infrastructure warrants that upon delivery the Goods will -
- 13.1.1. comply with any description or specification of the Goods in the Contract; and

- 13.3.1.2. where the defect was not apparent on a reasonable inspection at the time of delivery, within a reasonable time after the Buyer discovers the defect or ought to have discovered the defect but in any event within 12 months of the delivery of the Goods; and
- 13.3.2. HarSCO Infrastructure is given a reasonable opportunity (after receiving the notice referred to in clause 13.3.1) of examining the Goods (which may, at HarSCO Infrastructure's request, include examining the Goods at HarSCO Infrastructure's place of business).
- 13.4. The warranty in terms of clause 13.1 does not extend to parts, materials or equipment not manufactured by HarSCO Infrastructure. HarSCO Infrastructure's only liability in respect of such parts, materials or equipment shall be to transfer to the Buyer (subject to the provisions of clause 13.6) on the written request of the Buyer, such rights as HarSCO Infrastructure has and is entitled to transfer under any warranty or guarantee given by the manufacturer in respect of such parts, materials or equipment.
- 13.5. HarSCO Infrastructure will not be liable under the warranty in terms of clause 13.1 -
- 13.5.1. if the Buyer (or any other person) makes any use of the Goods after the Buyer has given HarSCO Infrastructure notice of any defect in the Goods;
- 13.5.2. in respect of any defect in the Goods arising from any drawing, design, specification or instruction supplied by the Buyer; or
- 13.5.3. in respect of any defect arising from the Goods being used or maintained otherwise than in accordance with the Product Literature.
- 13.6. HarSCO Infrastructure will not be liable under the warranty in terms of clause 13.1 and the Buyer will not be entitled to the benefit of any manufacturer's warranty or guarantee referred to in clause 13.4 if -

- 13.6.2. the Buyer is in breach of the provisions of clause 14.4.2 and as a result of such breach HarSCO Infrastructure is unable to determine whether or not it supplied the goods or, if HarSCO Infrastructure did supply the Goods, when they were manufactured or supplied.
- 13.7. If HarSCO Infrastructure is liable under the warranty in terms of clause 13.1 (or any other warranty, guarantee or the like given by the HarSCO Infrastructure in respect of the Goods), HarSCO Infrastructure's liability will be limited to repairing or replacing the Goods (or the defective part) or (at HarSCO Infrastructure's discretion) refunding to the Buyer the Price (or a proportionate part of the Price).
- 13.8. Any Goods replaced will belong to HarSCO Infrastructure and any repaired or replacement Goods will be warranted mutatis mutandis (i.e. with the necessary changes) on the terms set out in this clause 13 save that the 12 month period referred to in clause 13.3.1.2 will be calculated from the date of delivery of the original Goods.

- 14.3. The Buyer accepts that any notice referred to in clause 14.1.4 concerning the Goods, including any defect in the design or quality of the Goods which could affect the manner in which the Goods should be used or safely used, will be adequate and sufficient notice to the Buyer.
- 14.4. The Buyer shall ensure that -
